LARGE BUSINESS TECHNOLOGY ON A SMALL BUSINESS BUDGET.

Automated time and attendance solutions are no longer only for large companies. Pyramid's **TimeTrax EZ Ethernet** is the first ever time and attendance system that is simple to use and will provide years of flexibility and reliability. **TimeTrax EZ Ethernet** provides a solution that is both highly capable and works in almost every industry. Being Ethernet-ready allows for multi-terminal capabilities that will grow with your business. Simply hook the **TimeTrax EZ Ethernet** unit up to any networked Ethernet jack, and you're on your way. The system accommodates 50 employees and is upgradeable to 6000. **TimeTrax EZ Ethernet** is the ideal solution to capture time accurately, streamline your business processes, and reduce your expenses with the swipe of a card. For added flexibility and functionality, you can mix and match any Pyramid Ethernet terminal type within the same LAN and WAN network.

ETHERNET

Unlimited number of Ethernet terminals regardless of technology

ETHERNET

Ethernet LAN and WAN compatible with multi-time zone functionality

ETHERNET

Optional Time Source Synchronization from Pyramid Wireless Master Clock System
