Model ES900 Time Recorder

- Electronically combines the functions of the Time Recorder, Time Stamp, and Numbering Machine under the same cover.
- Multi Purpose, Multi Function
- Features built-in back-up battery that ensures the perpetual calendar will maintain the correct time, even through daylight saving time changes.
- Always on Time!
- The ES900 identifies employee punches that are before or after normal punching periods with the I-Mark (*), the irregular mark.
- Makes auditing time cards easier and quicker for more accurate payrolls.

Electronic Time Recorder, Time Stamp & Numbering Machine - three essential office functions in one time recorder.
